*Expedited review not available

1. Earth Disturbance **less** than one acre, requesting an Erosion and Sediment Control Plan review, *remit \$175.00 E&S review fee* -payable to “Indiana County Conservation District”.
2. Earth Disturbance **less** than one acre, requesting Erosion and Sediment Control Plan review, may request an expedited review (within seven working days), *remit an additional check of \$150*, payable to the “Indiana County Conservation District”. Expedited review fee must be included with plan submission.

Additional Notes

1. Agencies of the federal government and the Commonwealth of Pennsylvania are exempt from all aforementioned fees.
2. Indiana County and its municipalities are exempt from any Erosion and Sediment Control Plan review fees.
3. For NPDES submissions please contact the Indiana County District Office for required information. **Indiana County Conservation District strongly encourages scheduling a pre-application meeting.**
4. The Indiana County Conservation District Disturbed Acre Review Fee is intended to cover the initial Erosion & Sedimentation Control Plan review and (1) subsequent revision. If additional reviews are required, the second resubmission shall be assessed a fee of 50% of the original review fee. Each subsequent resubmission shall be assessed a fee of 75% of the original review fee.
5. If replies to plan deficiency letters are not received by the Indiana County Conservation District within 60 days, the application will be returned. Any re-submissions after that time will require new fees.
6. There will be an additional \$150.00 charge for applications submitted after the fact as a result of a complaint or discovery of an unpermitted activity.
7. There is a \$75.00 returned check fee.
